## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 lots; each additional lot 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

a left third missing. 40.00
615. == Second Ed. 1866. 39pp. 17pls. + Laban Heath  
note. Very popular ed. has Fractional Currency  
and beautiful vignettes. 75.00
616. == Second Ed. 1866. This is a most unusual Detector,  
first I've seen. It opens horizontally instead  
of the usual vertical book way. The last line of  
the printing on the cover says 'Pat'd July 12,  
1867. It has a tissue page reproducing a letter  
dated September 3, 1866 from the Treasury Dept.  
giving Laban Heath permission to use certain  
"cuts" for his detectors. There is a two page in-  
troduction to the Second Edition, whereas Lot  
616 above has a three page introduction to the  
First Edition. There are 39 pages, 17pls, plus  
3 double plates each reproducing in almost ex-  
act size ob. and rev. of note. 125.00

Following are Counting and Banking Editions:

617. == Second Ed. 1866. 39pp. 3pls. and frontispiece.  
There should be 11 numbered plates to this ed.  
10 cut-up pieces are left of the missing 7. ---
618. == Second Ed. 1866. 39pp. 11 numbered plates +  
Frontispiece and Laban Heath note, plus five  
unnumbered plates each showing note rev. and  
ob. This is a complete book. 125.00
619. == Second Ed. 1866. 39pp. 11 numbered plates plus  
Frontispiece and Laban note, plus 4 unnumbered  
pls. . However, there is no evidence that one  
plate was removed. This is borne out by the  
fact that this edition has the name of the  
printer, 'Pratt Brothers, Stereotypers and  
printers, 37 1/2 Cornhill, Boston' while the  
previous lot does not mention a printer. One  
of the plates has a tear and a number are loose. ---

PLEASE NOTE: On later issues of The Numismatist and Numismatic Scrapbook you will note that the cataloguer's estimates vary. Obviously binding makes the difference as it costs between \$7.00 and \$10.00 to bind a volume. Many collectors wish to continue their own style of binding hence are interested in bidding on unbound issues.
